

CHUMPHON AEKWARODOM

BACK END DEVELOPER

PERSONAL PROFILE

I am a hard-working person with a great passion for coding. I love to learn about new technologies. I am a fourth-year student in the major of Computer Science and Innovation at Mae Fah Luang University and will graduate in 2022. I am looking for a position as a full-stack developer or backend developer. I wish to apply my experience and knowledge to make the organization that I work with grow bigger and stronger.
